“Facilitating success through learning, coaching
and agile, authentic leadership”

Expand your thinking, grow your business....

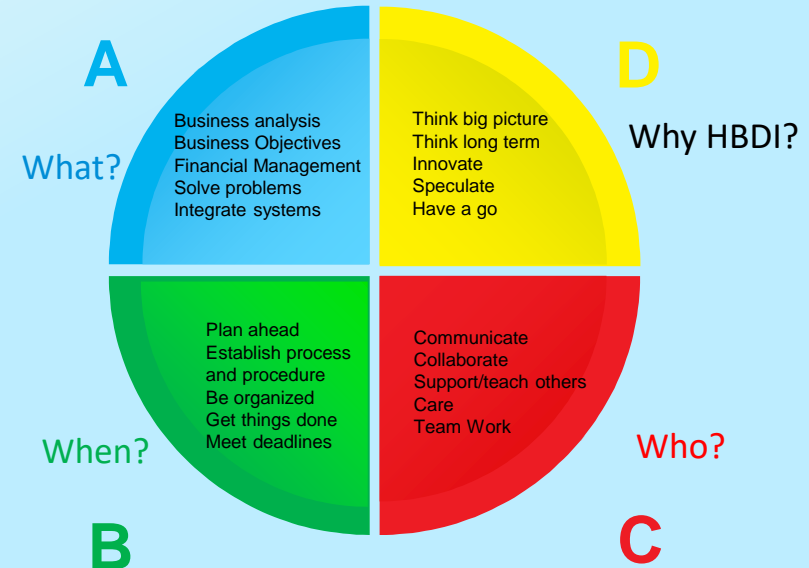

The Herrmann Brain Dominance Instrument (HBDI) model is a colourful metaphor, illustrating how you think. Based on 40 years of scientific research, discover which parts of the brain you use in life/work, better understand yourself, enhance team cohesion and productivity and further develop trusted client relationships.

Individual profile/career coaching and team based workshops tailored to your business needs:

- **Creating Strategy**
- **Innovation**
- **Problem Solving**
- **System integration**
- **Financial Management**
- **Project Management**
- **Communication (in person, virtual, telephone)**
- **Developing teams (including virtual and multicultural)**
- **Consulting Skills**
- **Understanding your clients and buyers**

In person or virtual delivery available
